- ! We won't cover the first portion of any claim that you agree to pay (the excess).
- ! Standard amounts apply to glass repairs (£15) and replacements (£115). The glass repair excess increases to (£25) if you choose to not use our approved windscreen repairer. If you use an unapproved windscreen repairer following an accident the most we will pay is £50 repair and £200 for replacement. If recalibration of your car's ADAS (Advanced Driver Assistance System) is required after the replacement of your windscreen an additional excess will apply.
- ! Market value - The cost of replacing your car, with one of a similar make, model, year, mileage and condition based on market prices at the time of the loss. Should we pay out the market value for your vehicle the amount paid out for your car shall not exceed its market value at the time of the incident.
- ! A courtesy car is only provided if yours is repaired by one of our garages. We can't ensure it will be adapted for special needs or disabilities. A courtesy car is not provided if yours is stolen or is a total loss. If you choose not to use one of our garages, an additional £200 excess will apply.
- ! Audio, visual or electrical equipment - if it is not permanently fitted by the manufacturer this cover is limited to £1000 or 15% of the value of the car, whichever is lower.
