What service do we provide?

You will not receive advice or a recommendation from us. We will ask some questions to narrow down the selection of products. You will then need to make your own choice about how to proceed.

The capacity in which we are acting

We act on your behalf when arranging and administering your policy. We act as agents of the insurer when collecting premiums and handling refunds.

Your obligations to us

You have an obligation to provide accurate information in response to our questions and to take care not to make a misrepresentation in connection with your policy.

You have an obligation to pay premiums and fees you are contracted to.

Once cover has been arranged, you must immediately notify us of any changes to the information that has been previously provided. The most serious consequence of failing to provide full and accurate information before you take out insurance, or when your circumstances change, could be the invalidation of your cover. In that instance it would mean that a claim will be rejected.

Paying for your policy

We act as agents of the insurer in collecting premiums and handling refunds due to clients, such monies are deemed to be held by the insurer with which your insurance is arranged.

Should there be an outstanding balance on the cancellation of your policy, we will attempt to recover this from you. If we are unable to recover the debt we will pass details of the debt to a debt collection agency. Should this action be required, all associated costs and charges incurred by us will be passed onto you.

Paying in full or in part by payment card

When purchasing cover with Hedgehog, you give us continuous payment authority. By agreeing to allow continuous payment you agree to the following:

- The card being used for future payments such as the collection of any additional premium generated as a result of a change to your policy.
- Renewal premium collection (see Automated renewal section of this document)
- Collection of payment arrears where applicable.

You can opt out of the agreement at any time by contacting us or amending the setting in the portal. If new card details are provided at any time during the course of your policy, authority will switch to the new card details.

Paying by finance - Premium Credit Limited

If you wish to pay your annual premium by installments, we will pass you over to our sister company, Rostella Limited, which is authorised and regulated by the FCA as a credit broker in the UK.

Insurer security

Whilst we monitor the financial strength of the insurers with whom we place business it should be noted that the claims-paying ability of even the strongest insurers could be affected by adverse business conditions. We cannot, therefore, guarantee the solvency of any insurer or underwriter. A liability for the premium, whether in full or pro rata, may arise under policies where a participating insurer becomes insolvent.

What will you have to pay us for our services?

We may earn a commission from the insurer on each policy sold. We will also charge the following fees, which are in addition to any insurers premiums.

Fee/Charge	Amount
New Business arrangement fee (non-refundable if the policy is cancelled or voided)	up to £30
Cancellation fees (apply whether or not policy cover has started, including within the first 14 days of purchase):	
- Cancellation by you, within 14 days from the purchase date of your policy	£50
- Cancellation by you, after 14 days from the purchase date of your policy	£60
- Cancellation by us when you fail to provide documents within the timescale/s requested, for example, proof of no claims discount or driving licence	£75
- Cancellation by us if we discover that the information you gave us when you took out a policy was inaccurate or incomplete	£75
- Cancellation by us for any other reason, within 14 days from the purchase date of your policy	£50
- Cancellation by us for any other reason, after 14 days from the purchase date of your policy	£60
Voided policies fee – this applies when the policy has been declared void by us or the insurer before or after cover was due to start.	£75
Mid-term adjustments: The following fees apply in addition to any premium adjustment:	
- Change of vehicle or driver	£30
- Notification of new claims or convictions which occur after inception date	Free
- Notification of a new medical condition	Free
- Change of occupation	Free
- Change of name/marital status	£10
- All other changes	£30
Other Charges:	
- If we need to make a referral to a Debt Collection Agency to collect outstanding premiums	£20

Your insurer may also charge a cancellation fee and a mid-term adjustment fee in addition to our fees. Please carefully read your insurer's policy wording to ensure you are aware of their fees.

Mid-term adjustments

If you make a change to your policy and an additional premium is due, this must be paid to us for the change to take effect. All requested changes will expire within 24 hours of the requested effective date if they are not purchased.

All change requests are recorded and can lead to your policy being invalidated if a claim is made and the change has not been purchased.

In the event you request a change to the policy that is outside of the coverage/underwriting acceptance criteria we may be unable to continue the cover. In such cases the cancellation fee does apply.

Cancellations

If we or the insurer intend to cancel your policy, we will write to you providing a minimum of 7 days notice of cancellation. This will be sent to your last known postal or e-mail address, in line with your preference to receive policy documentation.

If you cancel or stop making payments which are due under your premium finance arrangements, this does not constitute cancellation of your policy, which is a separate contract. You must notify us separately.

Cancellation of your policy also means cancellation of any optional products sold to you. No refund of optional product premium is due following the cancellation of any optional products unless this is within the 14 day cooling-off period and no claims have occurred. The cooling-off period starts from the time you have access to your policy documents online, i.e. when you bought the policy.

Refunds

When a refund is due, we will return this to the original payment source within a maximum of 14 working days of the policy cancellation. If you have made a claim (fault or non-fault) and the policy is cancelled, no refund of premium will be due.

Automatic renewal

To make renewal easier for you, your policy will be renewed automatically using the payment details you have previously given. You can switch off this option in the Your Account customer portal via www.hedgehoginsurance.com/login.

We will only automatically renew your policy after issuing you with a renewal notice approximately 28 days before the end of your policy. If you do not want us to automatically renew your cover, you must contact us more than 3 days before your renewal date and advise us accordingly.

If you are not the card or bank account holder you must ensure that the card/account holder has agreed to make the renewal payment and you must tell them of any changes to the amount. Your renewal payment will be taken from your bank account on or around the renewal date. If you are paying by premium finance, the finance provider will contact you separately with details of your new instalment arrangements.

Please check your renewal notice for further details when it is available to you.

Automatic renewal will also apply to any optional products you select to purchase with your car or van insurance policies.
